Commissioner for Patents

Applicants' communication of 8/11/03 (IDS) has been received. However, because there is no response to the outstanding OA of 7/14/03 the IDS has only been associated and placed in the file. A review of the IDS will be performed subsequent to applicants' response to the outstanding Office action.

Hard copies of the application files are now separated from this examining corps, hence the examiner can answer no questions that requires a review of the file without sufficient lead-time.

Any inquiries concerning missing papers/references, etc. must be directed to Group 2600 Customer Services at (703) 306-0377.
